Subject: RE: Question about room rates for bologna

My bad for not noticing that this wasn't an internal chain! Sorry!

(Although since the IT government is offering to comp rooms, room cost is necessary for the ethics memo that takes a while to wind through the bureaucracy. I know when I requested invitational travel for my last position, it went through my assistant secretary, the legal office and "M" [the head of all Management issues at State] in order to decide.)

Thanks, Ex. 6 - Personal Privacy

Ex. 6 - Personal Privacy, as per my email the other day, I am waiting for the agency (who has been assigned for the G7 in Bologna) to call me back and let me know how many rooms we have for the VIP and will then also send a list of hotels to contact for the rest of the delegation.

We need to wait also for cost.

Thank you

Subject: Question about room rates for bologna

We are preparing travel orders for the EMM and need to know the daily lodging costs for the hotel rooms in Bologna that will be made available to non ministers. Please let us know if you have that.

In addition, for those on the delegation that are staying in the Savoia with the Ministers, do you know the approximate room rate?
